ВВЕДЕНИЕ

Практическое пособие по практической грамматике английского языка призвано оказать помощь студентам в закреплении и совершенствовании навыков и умений практического применения наиболее употребительных фразовых глаголов при изучении темы "Предлог". Овладение материалом, предложенным в практическом пособии, позволит существенно расширить словарный запас и повысить грамотность речи.

В практическом пособии восемь разделов, каждый из которых предваряется мини-словарем фразовых глаголов, что позволяет экономить время при их переводе. Также представлена система подстановочных и трансформационных упражнений и упражнений на перевод с русского языка на английский, что обеспечивает усвоение и контроль данного грамматического явления. В конце пособия предлагается раздел повторения.

Данное практическое пособие разработано в соответствии с основными принципами коммуникативного и системно-деятельностного подхода к обучению иноязычному общению и адресовано студентам второго курса специальности 1- 02 03 06 01 "Английский язык"
